

JUNE 2025

## RESULT 3

### GREENYOU DIGITAL ESCAPE ROOMS

As the GreenYOU project nears its completion, Work Package 4 stands out for its innovative approach to green education. This work package directly supports our mission to develop engaging learning tools for youth workers and raise awareness among young people about climate change, the green transition, and youth employment challenges.

DIGITAL ESCAPE ROOMS →

#### WHAT DOES THIS ESCAPE ROOMS CONSIST OF?

Designed especially for young people (16-30 years old), these interactive challenges will put your critical thinking, problem-solving, creativity, and collaboration skills to the test.

Each section is packed with engaging activities to enhance your knowledge and boost your employability in the growing green economy.

#### Green Skills Revolution

Start

## Escape Rooms

Welcome to GreenYOU Digital Escape Rooms! Here, you'll find interactive challenges designed to boost your critical thinking, problem-solving, creativity, and collaboration skills. Navigate through quizzes and riddles to deepen your understanding of climate change and green careers. Each section offers engaging activities to enhance your knowledge and employability.

### TO DATE, WP4 HAS REACHED:

- Over 200 young people and 30 youth professionals in testing phases.
  - Developed 6 digital escape rooms and a full video series.
  - Garnered over 4000 views of the animated content online.
-
